

# **PULL DOG - SECURE TOWING SOLUTIONS**

**PATENTED ANTI-RATTLE TRAILER HITCHES**

**PRESENTED BY TUCKER LAHN: OWNER/OPERATOR**

# THE ISSUE AT HAND

**In traditional trailer hitches, excessive rattling and instability during transportation pose safety risks and diminish the overall towing experience. Current solutions fail to adequately address these issues, leading to dissatisfaction among trailer owners and increased maintenance costs over time.**

**OUR COMPETITION IS A POORLY MADE, UNDERENGINEERED DEVICE THAT REQUIRES MULTIPLE TOOLS AND CAN BE DIFFICULT TO INSTALL.**

# **SOLUTION**

## **EFFECTIVE:**

**PULL DOG COMPLETELY ELIMINATES THE NOISE AND RATTLING FROM YOUR HITCH.**

## **SECURE TOWING:**

**PULL DOG WON'T LOOSEN UP EVEN IN THE TOUGHEST CONDITIONS.**

## **WELL MADE:**

**PULL DOG IS MADE IN THE USA OF TOP QUALITY MATERIALS AND TO EXACTING STANDARDS! WE OVER-ENGINEERED OUR PATENTED HITCHES TO EXCEED YOUR STANDARDS.**

# PATENTED TECH

OUR WEDGE LOCK TECHNOLOGY IS PATENTED THROUGH 2030.

PARTS ARE MADE FROM STEELS AND HIGH DENSITY DELRIN.

ALL HARDWARE IS STAINLESS STEEL WITH BRASS BUSHINGS TO ELIMINATE WEAR.

STEEL COMPONENTS ARE HEAVY POWDER COATED SO OUR HITCH WON'T RUST EVEN IN SALTWATER.

THE HITCH CONNECTION IS WELDED TO THE BODY BY ROOT TO ENSURE QUALITY AND CONSISTENCY .
